Un effetto metallo logorato dal tempo e dall'usura, fortemente mosso nei toni cromatici e pervaso da corrosioni che arricchiscono gli originali colori di sfumature impreviste.

A metal effect worn by time and wear, strongly moved in the chromatic tones and pervaded by corrosion that enriches the original colours with unexpected shades.

Un effet métal usé par le temps, avec un fort mouvement dans ses tons chromatiques et imprégné de corrosion qui enrichit les couleurs d'origine de nuances inattendues.

Oxydum conserva lo spirito anticonformista delle superfici metalliche prese a ispirazione: un suggestivo campionario di graffiature e di ombreggiature che ricreano il fascino dei contesti industriali recuperati.

Oxydum retains the unconventional spirit of the metal surfaces taken as inspiration: an evocative collection of scratches and shading that recreate the charm of recovered industrial contexts.

Oxydum préserve l'esprit anticonformiste des surfaces métalliques auxquelles est inspirées: une collection évocatrice de rayures et d'ombrages qui recrée le charme des contextes industriels récupérés.

steel 60x60 24"x24" rett.
FLOOR: wowood white 10x61 4"x24" rett.

I cinque colori risultano così ricchi di passaggi di tono da consentire numerosi abbinamenti interni alla collezione. Nate quasi per caso, le sfumature blu del colore Steel rendono memorabile questa serie particolarmente apprezzata per dare appeal a locali pubblici di tendenza. Interminabile il numero dei pezzi speciali che arricchiscono e completano la collezione.

The five colours are so rich in tonal transitions so that they allow numerous combinations within the collection. Born almost by chance, the blue shades of the Steel colour make this series memorable, particularly appreciated for giving appeal to trendy public places. The number of special pieces that enrich and complete the collection is endless.

Les cinq couleurs sont si riches en nuances, qu'elles permettent de nombreuses combinaisons au sein de la collection. Nées presque par hasard, les nuances bleues de la couleur Steel rendent cette série mémorable, particulièrement appréciée pour faire appel aux lieux publics de tendance. Le nombre de pièces spéciales qui enrichissent et complètent la collection est infini.
